Working Order

This service is primarily for instruments that are up to 3 years old or that have been serviced regularly. This service includes checking the instrument for any leaks, re-seating pads, resetting the regulation where necessary and generally putting the instrument back into a playing order.

Full Service

This service includes:

- complete disassembly of the instrument
- re-seating or replacing any pads where necessary
- replacement of corks and springs where necessary
- complete regulation of the instrument (spring tensions, removal of double action, etc)
- oiling of the mechanism
- straightening of bent keys or dent removal if required
- cleaning and polishing of the body and keywork will usually be included

Complete Overhaul

This service is as the full service but with the replacement of all pads and corks.

Other Repairs

Miscellaneous repairs are charged at £25 per hour plus materials.
